

eDIS stands for Electronic Delivery Instruction Slip

It is a facility introduced by CDSL that allows you to sell shares if you have not submitted your Power of Attorney (POA) to your broking company.

It is to be noted that you can only sell the shares you are holding in your linked Demat account. Let us take a look at using the e-DIS facility.

Steps to sell shares through e-DIS when you do not have a TPIN.

1. Login to your account using your credentials (User id & Password) & Click on “**Holdings>Sell Authorization**” button which will taken to the next screen.

2. Now click on “**Continue Authorization**” button which will taken to the next screen.

The screenshot displays a trading platform interface. A 'Sell Authorization' dialog box is open, showing a list of securities with their holding quantities and authorized quantities. The 'Continue Authorization' button is highlighted. The background shows a candlestick chart and a list of holdings.

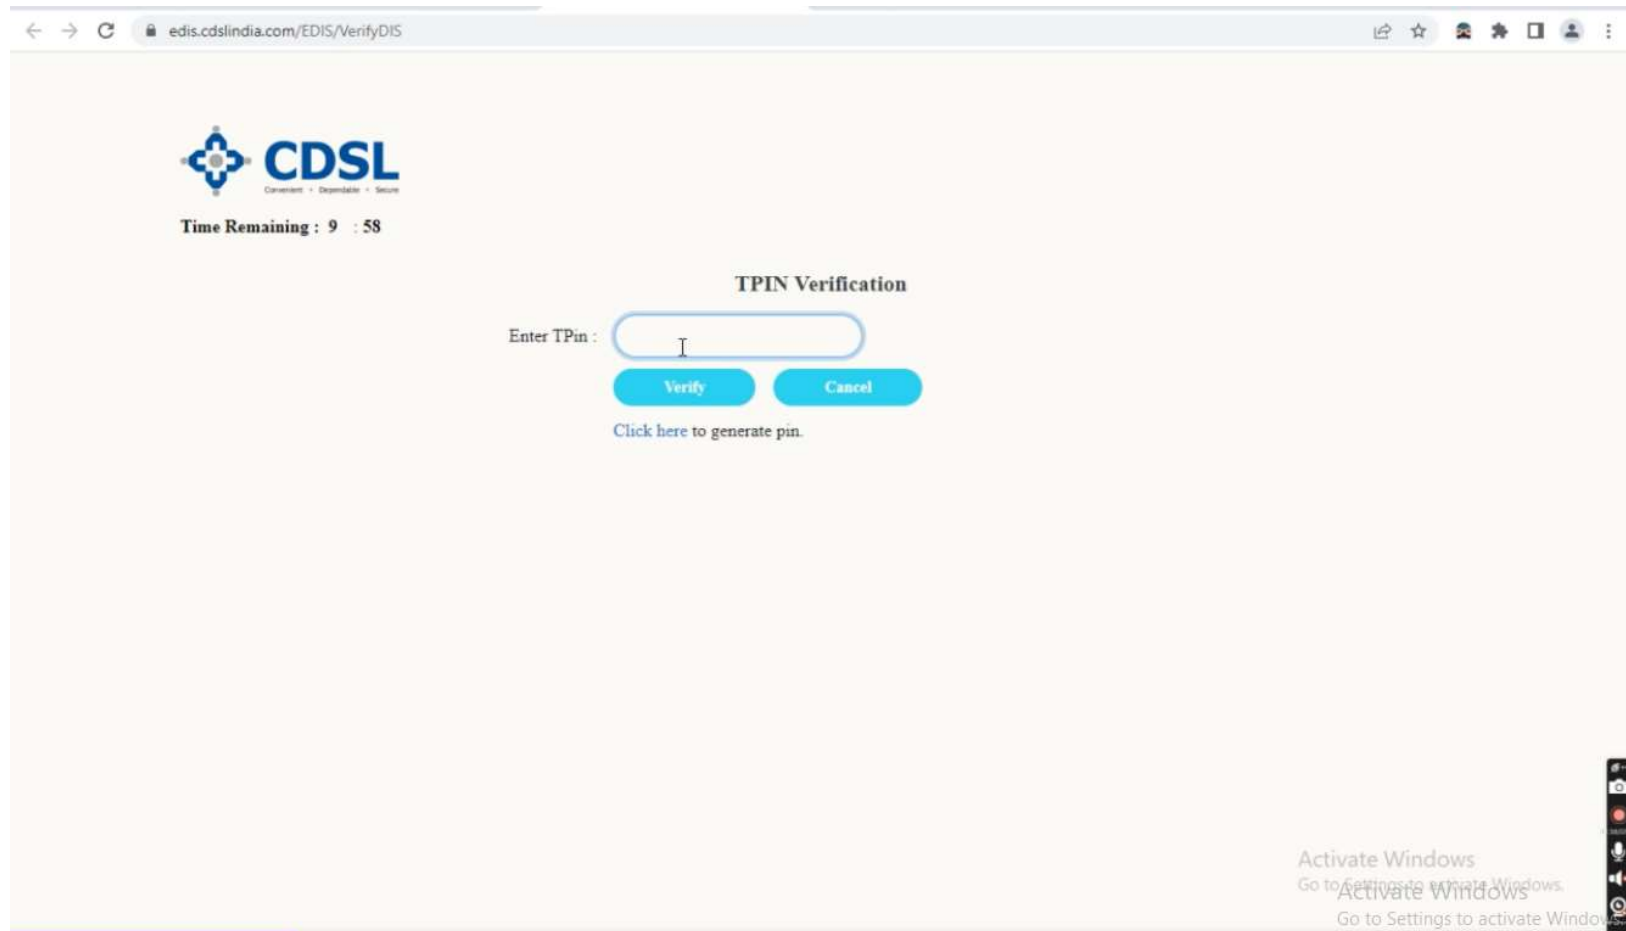

Scrip	Holding Qty	T1 Holding Qty	Authorized Qty	Sold Qty	Qty to Authorize
DCXINDIA	20	0	0	0	20
ECLFINANCE	10	0	0	0	10
EDELWEISS	1	0	0	0	1

* Holding Sell Authorization is valid for Today

Reset Continue Authorization

INSTRUMENT ↑	QUANTITY	T1 QUANTITY	USED QTY	DAYS P&L	NET P&L	BUY AVG PRICE	LTP	TOTAL IACTION
SANSERA INE953001021	10	0	0	-32.00 (-0.40%)	444.50 (5.97%)	744	788.45	10
SASTASUNDR INE019J01013	80	0	0	-160.00 (-0.67%)	14,363.20 (152.72%)	117.56	297.10	80
SBICARD INE018E01016	10	0	0	-36.00 (-0.45%)	428.00 (5.67%)	755	797.80	10
SBIETFCN INF200KA1X17	155	0	0	20.15 (0.16%)	2,276.95 (22.77%)	64.51	79.20	155
SBIN INE002A01020	45	0	0	-180.00 (-0.65%)	20,486.25 (289.51%)	157.25	612.50	45

3. Now click on “**Click here to generate pin**” which will taken to the next screen.

The screenshot shows a web browser window with the address bar displaying "edis.cdslindia.com/EDIS/VerifyDIS". The page features the CDSL logo with the tagline "Convenient • Dependable • Secure" and a timer indicating "Time Remaining : 9 : 58". The main heading is "TPIN Verification". Below this, there is a text input field labeled "Enter TPIN :". To the right of the input field are two buttons: "Verify" and "Cancel". Below the buttons is a link that says "Click here to generate pin." In the bottom right corner, there is a Windows watermark that reads "Activate Windows Go to Settings to activate Windows."

4. Now Enter your “**BO ID and PAN Number**” & press “**Next**” button. You will receive an OTP to your registered email id and mobile number and which will taken to the next screen.

Activate Windows
Go to Settings to activate Windows.

6. Now your “TPIN is generated successfully” and has been sent to your “registered Mobile Number & Email ID”.

The screenshot shows a web browser window with multiple tabs. The active tab is 'eDISWeb' at the URL 'edis.cdslindia.com/home/generatetpin'. The page features the CDSL logo and a progress bar with three steps: 'BO Details', 'Enter OTP', and 'Thank you'. The 'Thank you' step is currently active. Below the progress bar, a green button prompts the user to click 'HERE' to go back to the login page. The main message reads: 'Thank You' followed by 'Your TPIN is generated successfully and has been sent to your registered Mobile No : *****286 and Email ID : AD*****8@GMAIL.COM'. An illustration on the left shows a person at a laptop with a large key icon. At the bottom right, there is a Windows watermark: 'Activate Windows Go to Settings to activate Windows.'

7. Now you can sell your shares using the **TPIN generated** by you. This TPIN is also permanent which you can use every day for eDIS sell authorization.

Here enter the **TPIN** to give sell authorization and click on **Verify** button which will take you to the next screen.

The screenshot shows a web browser window with the URL edis.cdslindia.com/EDIS/VerifyDIS. The page features the CDSL logo with the tagline "Convenient • Dependable • Secure" and a timer indicating "Time Remaining : 9 : 26". The main heading is "TPIN Verification". Below this, there is a label "Enter TPIN :" followed by a text input field containing three asterisks. Under the input field are two buttons: "Verify" and "Cancel". A link "Click here to generate pin." is positioned below the buttons. In the bottom right corner, there is a Windows watermark that reads "Activate Windows" and "Go to Settings to activate Windows."

8. Here enter the **OTP** received on your **registered mobile number or Email ID** and click on **Verify** button which will taken to next screen.

The screenshot shows the CDSL EDIS/VerifyPin web page. At the top, the CDSL logo is displayed with the tagline "Convenient + Dependable + Secure". Below the logo, a timer indicates "Time Remaining : 9 : 21". The main heading is "OTP Authentication". A green box contains the instruction: "Please verify your transaction, by entering OTP which is sent to your registered mobile *****286 and email Id A*****8@GMAIL.COM". Below this, there is an input field for the OTP, a "Verify" button, a "Cancel" button, and a button labeled "To Re-generate OTP 0 min 27 sec". Under the "Transaction Details" section, the following information is listed: DP ID :31600, Demat Account / BO ID :1203160000100007, and Transaction Type :Pre-Trade. A table below displays transaction details with columns for ISIN, ISIN Name, Quantity, Settlement Id, and Settlement Date. The table contains one row of data for the ISIN INE953O01021, which corresponds to SANSERA ENGINE-EQ2/-, with a quantity of 1 and a settlement date of 14/12/2022. At the bottom right, there is a watermark for "Activate Windows" and a prompt to "Go to Settings to activate Windows".
